Dear St. Pius X Family,

After much consultation and upon recommendation of the School Board, we have decided that we will not begin a two year old program for the 2012-13 school year. While we make this decision at this time, we are keeping all options open for the future.

There were several factors that went into this decision. Two that had significant influence were:

1. We wanted to maintain enough flexibility in existing classroom space should we decide to expand our current kindergarten or pre-kindergarten program.
2. We believe that it will be helpful to await the recommendations of the strategic plan for Catholic Schools currently being developed by the Archdiocese. This plan will come into focus sometime during 2012.

In order to be prepared for future needs we will continue to explore renovations to our buildings to allow the movement of some grade levels giving greater flexibility to expand if necessary.

I would like to thank all of you who offered input into our consultation. I believe our decision was a community effort. Thank you for your continued collaboration in making St. Pius X the great school that it is.

Sincerely yours in Christ,

Fr. Pat
